Digital Marketing Associate

This is an excellent opportunity to solidify your SEO knowledge, all while working in a fast-paced and a fun environment. The Digital Marketing Associate will support our team on tasks related to content marketing, content management, SEO, webmaster outreach, online relationship management and social media.

The ideal candidate will be detail-oriented, organized, motivated and someone who consistently invests his or her own time in bettering his or her knowledge of digital marketing. The ability to learn on the fly and grasp technical concepts is critical.

You will be reporting to the marketing project manager and a local on-site manager.

You are (in order of priorities):

- Fluent in English
- A Rockstar with a drive to become the next greatest pro in digital marketing
- Have 1 Year of experience in the industry
- Hands on with Google docs, and **don't need additional training with Google spreadsheets**
- Comfortable changing basic code like JavaScript, HTML & CSS without blowing-up websites.
- Proficient with on-page search engine optimization
- Have strong understanding for social media content creation and administration
- Good knowledge and understanding of Google Analytics + Adwords + Webmaster Tools
- Superior attention to detail and pride in producing highly accurate work
- Utilizing various online tools to promote company's online image and brand
- In love with keyword research and semantics
- Experience in design (illustrator, Photoshop) is a plus

What we provide:

- Competitive salary for your level of experience.
- Flexible working environment.
- An opportunity to be on the winning team.
- 20 Paid vacation days.
- Support and education for completing your tasks.

If you are interested in working and learning in a global corporate environment, please send your CV and cover letter to marketingmanager@joorney.com.

We will contact only the candidates selected for the interview process.
