

## WordPress developer - Intern

### Mimoza 99

### About us

Mimoza 99 is a team of young and creative individuals challenging e-Commerce industry. We strive to consistently deliver the highest quality products and services to our customers and to constantly improve ourselves in all aspects.

Based in our office in the heart of Belgrade, our professionals strongly believe in recruiting bright, enthusiastic, young individuals who add further expertise to our already well-coordinated team. A creative hub ranging all the way from developers and designers to accountants and consultants, Mimoza 99 is able to keep everything in-house, avoiding the intermediary that could slow down or blur business' prime vision.

**To be successful for this opportunity, you will have:**

- Understanding and basic knowledge of modern web development practices (HTML, CSS, PHP)
- Previous experience working on projects is a plus
- Able to adjust to quick changes as the industry is very dynamic
- Fluent in English (reading, speaking, writing)
- Highly motivated person
- Desire to develop
- Some weirdness is a plus

**Responsibilities:**

- Maintaining websites
- Working on development and improvement of websites
- Problem-solving on the websites
- Technical support to the company network
- Learning new technologies

**What we offer:**

- Working in a young and informal international environment in our brand new office downtown Belgrade, Serbia
- Opportunity to develop your experience and take part of a successful e-Commerce startup
- Possible future employment with competitive salary
- Flexible working hours
- Free coffee, lots of energy drinks and fun included
-
