

SASequity

Investment boutique with Belgrade office looking for a Financial analyst

About us:

We are SASequity (www.sasequity.de) an ambitious German investment boutique, concentrated in developing new business concepts and re-organizing existing ones into various European markets. Also providing specialized restructuring services to our clients. For our newly established office in Belgrade city center we are opening an announcement for a **Financial analyst** being involved in developing business ideas we organize. An offer for very ambitious students with interests in finance and investment industry.

Skills and competencies:

- ✓ You already collected substantial experience in finance and/or still studying economics with core area finance/ controlling/ auditing
- ✓ Practical work experience already collected
- ✓ Fluent English a must
- ✓ Proficient in spreadsheets, databases, MS Office and financial software applications
- ✓ A certain dedication to consulting or investment industry

Our offering:

- ✓ Full training on the job/ integration with senior colleagues – European-wide
- ✓ Planned beginning 15th of February
- ✓ Payment – 250 € monthly for full-time availability
- ✓ Duration – 4-6 months (part-time or full-time – to be discussed)
- ✓ Successful interns will get an invitation for 12 months traineeship
- ✓ Excellent development opportunities for future career

If you are interested to join, please send us your CV and motivation letter in English to the following e-mail address: personal@sasequity.de, specifying the position you applying for.

We are looking forward for your application!
