

BECOME A

MATHS TEACHER 30%

AT SAVREMENA INTERNATIONAL SCHOOL, BELGRADE

WHY

Teachers who love teaching teach students to love learning. Join the teaching elite at one of the most successful international schools in the region and inspire your students towards high academic goals. Be a role model by demonstrating creativity, fostering critical thinking and encouraging new ideas. Grow knowledge and build confidence in a future ready school.

Influence

- INTERACTIVE APPROACH
- INTERDISCIPLINARY TEACHING
- INTELLIGENT CLASSROOM
- INNOVATIVE TECHNOLOGIES
- INSPIRING ENVIRONMENT

HOW

Guide your students towards discovering the charms and wonders of your subject and watch them excel through academia. Show them how theory translates into practice and how mathematics transposes into real life. Kindle their critical thinking, spark their curiosity and engage their problem-solving abilities. Push and pull, balance and uphold. Mentor to encourage and guide.

Inspire

GET

What you get is a unique opportunity to work in a school which provides you with a stimulating learning environment, motivated high-achievers, collegial co-workers and supportive school management. Enjoy professional development, personal growth and new experiences. Teach in intelligent classrooms by using innovative technologies and interdisciplinary approaches.

Prosper
